

Dockets Management Branch (HFA-305)
Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

10PPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
10BJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: My compounded medication
has worked very well. I appreciate
being able to order them by mail.
I use compounded hormones
to alleviate symptoms that were
considered dangerous to my health.
I wish to have my doctor decide
what's best for me, not the government.

98N-1265

Please fold, seal, and mail by March 22
